Recurring Credit Card Payment Program

Marina Slip Rental Fee - Authorization Form

I authorize the City of Long Beach, Commercial Services Bureau, to charge my credit card number listed below for my monthly Marina Slip Rental Fee.

This authorization will remain in effect unless I revoke credit card usage in **writing** or the credit card **expires**. If my credit card is declined, I understand that my account will be assessed a penalty and I will be removed from the Credit Card Program.

You will know you are enrolled in the Recurring Credit Card Payment Program when a message appears on your bill stating "RECURRING CREDIT CARD PROGRAM IS IN EFFECT." Please continue to make payment until you receive notification on your statement. You will receive a statement every month showing how much we will deduct from your checking account. You will have 10 days to review your bill and ask any questions before the charges are applied.

Your account must be current and in good standing to qualify for this program. No applications will be accepted over the phone. This program is available only by returning this application to:
